APPLICATION FOR THE ACTIVATION OF THE REGISTRY LOCK SERVICE

_____ 202__

It is a request to activate the registry lock service. We are familiar with the service provision conditions.

Notifications on the activation of the above-mentioned service and the termination of the registry lock should be sent to the email address specified in our account in the .lt domain administration system (DAS) which is used to receive notifications from the DAS.

We undertake to pay a defined price for the registry lock services provided according to our orders. Please include the above-mentioned services in the summary of performed procedures and the invoice for the month in which the order(s) of the registry lock is(are) submitted.

We agree on the payment of the price of the registry lock service and the responsibility for the late payment to be subject to the same conditions as the payment for the performed procedures under section IV.V of the Appendix “Registrars” to the Procedural regulation for the .lt top-level domain and the accreditation agreement.
